

# IOA/Trinity College Map Archive Project

## Project Update (at December 28th 2008)

We are still looking for copies of some maps, as indicated in red and blue below. Please contact Brian Hollinshead on 086 856 9885 or at [brian@hollinshead.net](mailto:brian@hollinshead.net) if you can help. Now that the year-end is nigh, we'd like to close this project so an early call would be helpful.

Black indicates a map we have a clean copy of.

**Red and bold indicates a map we still have no copy of and will take a map in any condition. If you have a copy of one of these that is not spare, would you consider loaning it to us for scanning and return?**

*Blue and italics indicates a map we have an overprinted copy of, but would like a clean copy of*
